### ***Public Safety***

Gratitude goes out to the the Department of Public Safety which includes Police Officers, Dispatchers, ISO's and Office Staff who work 24/7, 365 days a year offering services to the WSU community. The department also has a group of Students Safety Assistants who also help to provide services to several departments on campus. DPS staff remain busy throughout the year averaging 18,000 calls. These calls include medical calls, service calls, traffic accidents, criminal incidents, escorts, fire alarms, fires, room lockouts, wellness checks, mental health incidents and many more. Each member of the Department of Public Safety/University Police are dedicated individuals providing protection and care for our students, faculty and staff. Westfield State University is lucky to have these individuals, so please give them a "Thank You "when you see them around campus.

As the support departments on campus, it's always great to get recognition for the hard work that goes into what we do.
